**Annual Mid-Atlantic Scout Orienteering Championship**  
**Saturday May 1, 2021 or Sunday May 2, 2021**  
**at French Creek State Park, Elverson, PA**  
**hosted by**

**The DELAWARE VALLEY ORIENTEERING ASSOCIATION**

To: All Scouts, Venturers, Scout Masters, Advisors, Leaders, & Committee Members

Are you and your unit ready to test your map reading and problem solving abilities? Are you ready to work on the map and compass requirements for rank or badge/journey requirements or the Orienteering merit badge? Why not try **ORIENTEERING**, a cross-country map and compass adventure designed to test their map reading ability, compass skills, fitness and outdoor savvy of any unit regardless of size or experience.

There will be courses of four distinct levels of difficulty so that every scout should encounter a challenge suited to his or her capabilities. The event will be held on a map that has been mapped to International Orienteering Federation (IOF) standards. Each competitor will keep their map and may be useful for instruction at your future meetings.

French Creek State Park has approved DVOA's request for our annual Scout Orienteering Event with a limit of 250 participants and support personnel. Therefore, to allow the greatest number of participants DVOA is cancelling its public local event on Sunday May 2, 2021 and offering Scout groups to participate on either Saturday 5/1/21 or Sunday 5/2/21.

**Pre-registration is required for the event.**

**Competitors (scouts or leaders competing) will be capped at 200 a day. Once the registration limit has been reached for that day registration will close for that day. Registration is defined as DVOA having received registration forms and payment. DVOA cannot control the mail. First received first fully registered.**

DVOA converted to the use of all electronic scoring as of 2018 which requires participants to use special recording devices "epunch finger sticks". These will be supplied in the packet at registration. There should be no issue with finger stick availability this year with the limit of 200 participants a day. Each epunch has a unique registration number that will agree with the start time and course on the start list supplied in the packet. All Troops are responsible for the return of each epunch. Epunches will be collected just after the finish. A fee of \$60 will be charged for non-returned epunches. Please make sure scouts know they are responsible for the cost.

**Camping** is available at French Creek. DVOA will not be coordinating camping this year.

**Call 1-888-727-2757 7am-5pm Monday to Saturday**
